GATHIYAWALA

NILESH FARSAN HOUSE

WHO WE ARE?

Way back in the 90's, a visionary started journey from his home town Bhavnagar on 27th April 1990. Begun in a small namkeen shop, Manubhai gave birth to mind-boggling savory and cuisine, today known as "Manubhai Gathiyawala" known for delivering tasty Namkeens within the borders of India and now across the globe.

Based in prime location of Bhavnagar, "Manubhai Gathiyawala" is actively engaged in the marketplace as a trusted manufacturer, supplier, trader and retailer of premium quality Namkeen Products. All the products we offer are 100% handmade, and quality ingredients are handpicked.

In 2018, "Manubhai Gathiyawala" has started a new venture called "TheBazik" in Bhavnagar. It is a super market created to provide each and every household needs at one place at the best price possible. With a very good network outside Bhavnagar, the family is extending everyday.
